CLASS HISTORY

In the fall of '39, thirty-one freshmen took their places in the large study hall to begin four years of work and fun together in high school. Most of us had an aim to strive for. Before the year was over, we lost Esther Jacobs. This started a decline in our attendance which somehow never stopped. We had a great time during our initiation; and, on the whole, our freshman year was a good beginning.

At the opening of the sophomore year Jack Jennings entered our class to make thirty-one of us together again, eager to plan the freshman initiation and show our authority. At last we were boss over someone! What an achievement! To put a damper on our spirits we lost two more members, Mary Young and Joan Soles.

When we finally revived from our sophomore whirl, we awoke to find ourselves juniors. Imagine that! We soon began to realize that we were in the midst of a large task. With a great deal of team work, we successfully put over our junior play, "Bolts and Nuts."

In an early American Indian atmosphere we entertained the seniors at the annual banquet. The men's quartet from Bowling Green University furnished music. After the banquet we went to Toledo to see a stage show.

But again that dark cloud hung over us. This time more than ever, for we knew five of our classmates were leaving us. Anna Tracy and Lester Jacobs quit school, Jack Jennings moved to Edgerton, Joe Young joined the C-C-C, and Jean Aspacher moved to Gibsonburg.

Then came the fall of '41. We were seniors at last! Marietta Fausnaugh entered our class to make twenty-five members, but before the first semester was over we had lost Lois McCrary and Fern Soles. We gave two plays, "The Great Ben Allah" and "The Antics of Andrew." Ordering our rings, gowns, invitations and the like played a big part in our senior year. Leading up to the climax of our high school life was the Junior-Senior Banquet, which we all enjoyed. Then came that for which we had been striving, our Baccalaureate and Commencement.

BOY SCOUTS

Since the organization of Luckey Troop 332, Boy Scouts of America, in 1936, the membership has remained stable. There were thirteen charter members. Today the membership is eighteen. There are two patrols. When the troop reaches a possible enrollment of twenty-four, three patrols will be organized.

Any boy twelve years of age or over is eligible to become a member of the greatest boys' organization in America. This troop has five Star Scouts: William Wilson, Robert Evans, Chester Chambers, Keith Rife, and Gene Ruch. Robert Evans is eligible for Life Rank. Clyde Tracy, LeRoy Stewart and Richard Jacobs are First Class and John Hannan, Glen Reamsnyder, and Rolland Huss are Second Class. Those of Tenderfoot Rank are Ernest Slater, Russel Ruch, George Rife, Harold Carr, Arthur Christen, Theodore Reamsnyder, and Junior Tracy. This year LeRoy Stewart has been promoted to Assistant Scoutmaster. Keith Rife is the Troop Scribe. The Patrol Leaders are Robert Evans and Gene Ruch.

The Troop Committee is as follows: Fred Chambers, Irvin Jacobs, and Charles Austin.

Mr. Rider accompanied twelve of the boys to Camp Miakonda for one week in August of the year 1936 and again in August of 1942. Last year the troop had twelve boys in camp and they received an "Excellent" banner, one of the highest awards given at Camp Miakonda that week.

The Scouts of Troop 332 have been doing their part in National Defense. They have sold more than a ton and a half of scrap paper and are gathering it regularly. They are gathering other scrap materials such as iron and rags. They are preparing themselves to serve as experts in first aid and as an emergency corps in our present crisis.

Mr. Rider, who is the Scoutmaster and the Neighborhood Commissioner, is in charge of the Webster Troop, the Pemberville Troop, and the Stony Ridge Troop. He will receive the Acorn Award at the annual Appreciation Banquet held at the Commodore Perry Hotel in Toledo in May. This award is for the organization of new troops.

SCHOOL PAPER

The first school paper was stenciled and printed by Mr. Rider in 1938. This aroused much interest and a staff was soon functioning.

Mr. Grubaugh was the advisor for three years. Miss Mackling was the advisor this year.

The main purpose of the paper has been to give experience to the students in reporting, editing, stenciling and printing. The paper has always tried to print news of interest to parents and students alike.

Exchanges of school papers were received from many schools. Some of these exchanges were from other states. The exchanges of school papers are of mutual benefit. Many useful hints and much information concerning their activities were obtained from the papers of other schools. We were pleased to find some of our ideas printed in other school papers.

In January of this year, publication of the school paper was suspended on account of the scarcity and cost of paper. We hope that in the near future we can resume the editing and printing of the paper.

CLASS PLAYS

The Great Ben Allah

"The Great Ben Allah," presented by the senior class on November 14, was a comedy, original in plot and characters. Ben Allah, the Hindu fakir, was indeed a faker, but all in the grand and glorious cause of love. His "spiritualizing" plus the capers of his mischievous stooge carried the plot through many amusing situations including a seance which cured two women of their love of magic.

The Antics of Andrew

"The Antics of Andrew," given by the Troy-Luckey senior class on May 7, was a farce. A millionaire uncle from New Zealand, who had been sending Andrew a monthly allowance, dropped in out of a clear, blue sky. Andrew had to have a mother-in-law and wife on very short notice; so in haste, his two college chums dressed the part of women. Amid gales of laughter, the action swept to its climax of comic disaster. The play kept the audience in continual laughter.

Fixit, Incorporated

"Fixit, Incorporated" was presented by the juniors on February 5. The play opened in a crude office furnished with store boxes. This corporation could fix anything. By curing a hen-pecked husband, they made enough money to purchase real office furniture. Fixing a romance, a radio program for a bubble gum company and a job for a girl all added to the merriment of this farce-comedy.

All three plays were under the capable direction of Miss Wirick.

BANQUET

FOOTBALL BANQUET

The Mothers' Club served the dinner for the 1941 football banquet which was sponsored by the Civic Club and was held in the school cafeteria on November 17.

Mr. C. B. Loomis acted as toastmaster. Mr. I. T. Jacobs led the group in the singing of "America." Mr. Amos and Mr. Rider presented the awards given by the Civic Club and the school. Mr. Harry Williamson, the county auditor, gave an interesting talk on the importance of athletics in the school. Joe Loomis and his accordion, accompanied by Donald Joseph at the piano, furnished the music.

BASKETBALL BANQUET

The Civic Club entertained the basketball boys at a banquet held April 6, in the school cafeteria. The dinner was prepared by the Mothers' Club.

The toastmaster, Mr. C. B. Loomis, took charge after the dinner. All the graduating seniors responded to the welcome given by Mr. Martin Rolfes. Mr. Swantusch presented the awards. After a few remarks by Mr. G. V. Huss and Mr. E. H. Rider, Dr. W. A. Zaugg of Bowling Green gave an excellent talk on "Athletics Vicariously." The Rifles furnished the music.

JUNIOR-SENIOR BANQUET

The Junior-Senior Banquet was held Friday, May 15, at the school. The cafeteria room was converted into a "mess hall" of an army camp.

The junior class president, Esther Miller, ably demonstrated her ability as toastmistress. The welcome was given by Gene Hannan of the junior class, after which Glen Landwehr, president of the senior class, responded. Toasts were given by Mr. E. H. Rider and Mr. G. V. Huss. Special music was enjoyed by all. After the banquet the guests were presented with tickets for the theater.

MOTHERS' CLUB

The officers of the Mothers' Club are as follows:

President	Mrs. Robert Kurfess
Vice President	Mrs. Harvey Helm
Treasurer	Mrs. Gordon Huss
Secretary	Mrs. Harold Grubs
Program Chairman . . .	Mrs. Clarence Michel
Social Chairman	Mrs. Marcus Welling

The Mothers' Club met in the cafeteria room for their first meeting the second Tuesday in September. Miss Croll, county nurse, offered to give three health talks and demonstrations. At this meeting she discussed communicable diseases, vaccination, and immunization. The senior chorus furnished the music.

At the October meeting Miss Croll gave a demonstration on bed making and caring for and bathing the sick in the home. It was decided to buy some more equipment for the cafeteria.

Films on tuberculosis and the patch test were shown at the November meeting. Miss Croll gave a talk.

The mothers' gave a Christmas party for the faculty members, school board members and members of the Mothers' Club and their families. After a fine program games were played and a lunch was served.

Miss Kate Offerman gave an interesting talk on "Character Building in the Home and School" at the January meeting. The club decided to give a Chicken-Ham Supper in February. The junior chorus furnished the music.

At the February meeting, open discussion was conducted by Mrs. Michel on "How Can We Make the Most of our Differences." Since that time, the club has been sewing and knitting two days a month for the Red Cross.

This year the Mothers' Club has made an excellent donation to the Red Cross, and has equipped two first aid cots for the school--one for the boys in the athletic room and one for the girls in the faculty women's restroom. Other needed equipment has been added.

The Troy Trojans had the best season ever witnessed by local cage fans. Twenty boys reported for basketball under Mr. Swantusch last fall, with seventeen of that number completing the season. The first team, composed of seven seniors and three sophomores, slashed through the scheduled season with nine wins and three losses.

The Trojans entered the county tournament with the county championship in view. The cagers, drawing a bye, defeated Jackson 35-22, Bloomdale 35-17 and Olney 39-27, only to be defeated in the finals by Lake 45-25. The Trojans were led in the tournament by their towering center, Lowen Meyer, who was honored with the position of all county center.

BASKETBALL

VARSITY (continued)

Having won the right to go to the district tournament in Fremont, the Trojans defeated Gibsonburg 31-23 and Liberty 33-29. This brought them up to the semi-finals where they smashed Wakeman 32-16. The cagers now entered the finals against their old rival, Webster, who had defeated them twice during the season. The Scots, with the state tournament in mind, overpowered the Trojans 49-21. Thus the Trojans, bringing home two trophies, finished the season with fifteen wins and five losses.

The reserves won seven of the eleven scheduled games. They suffered two defeats at the hands of Webster, one in an overtime with Olney and one with Wayne. They won from Portage, North Troy, Risingsun, Lake, Bradner, Walbridge and Pemberville. The young cagers almost shut out Lake by a 26-4 score. With the first team losing seven seniors, these boys will have a big job on their hands next year to hold up Troy's previous record.

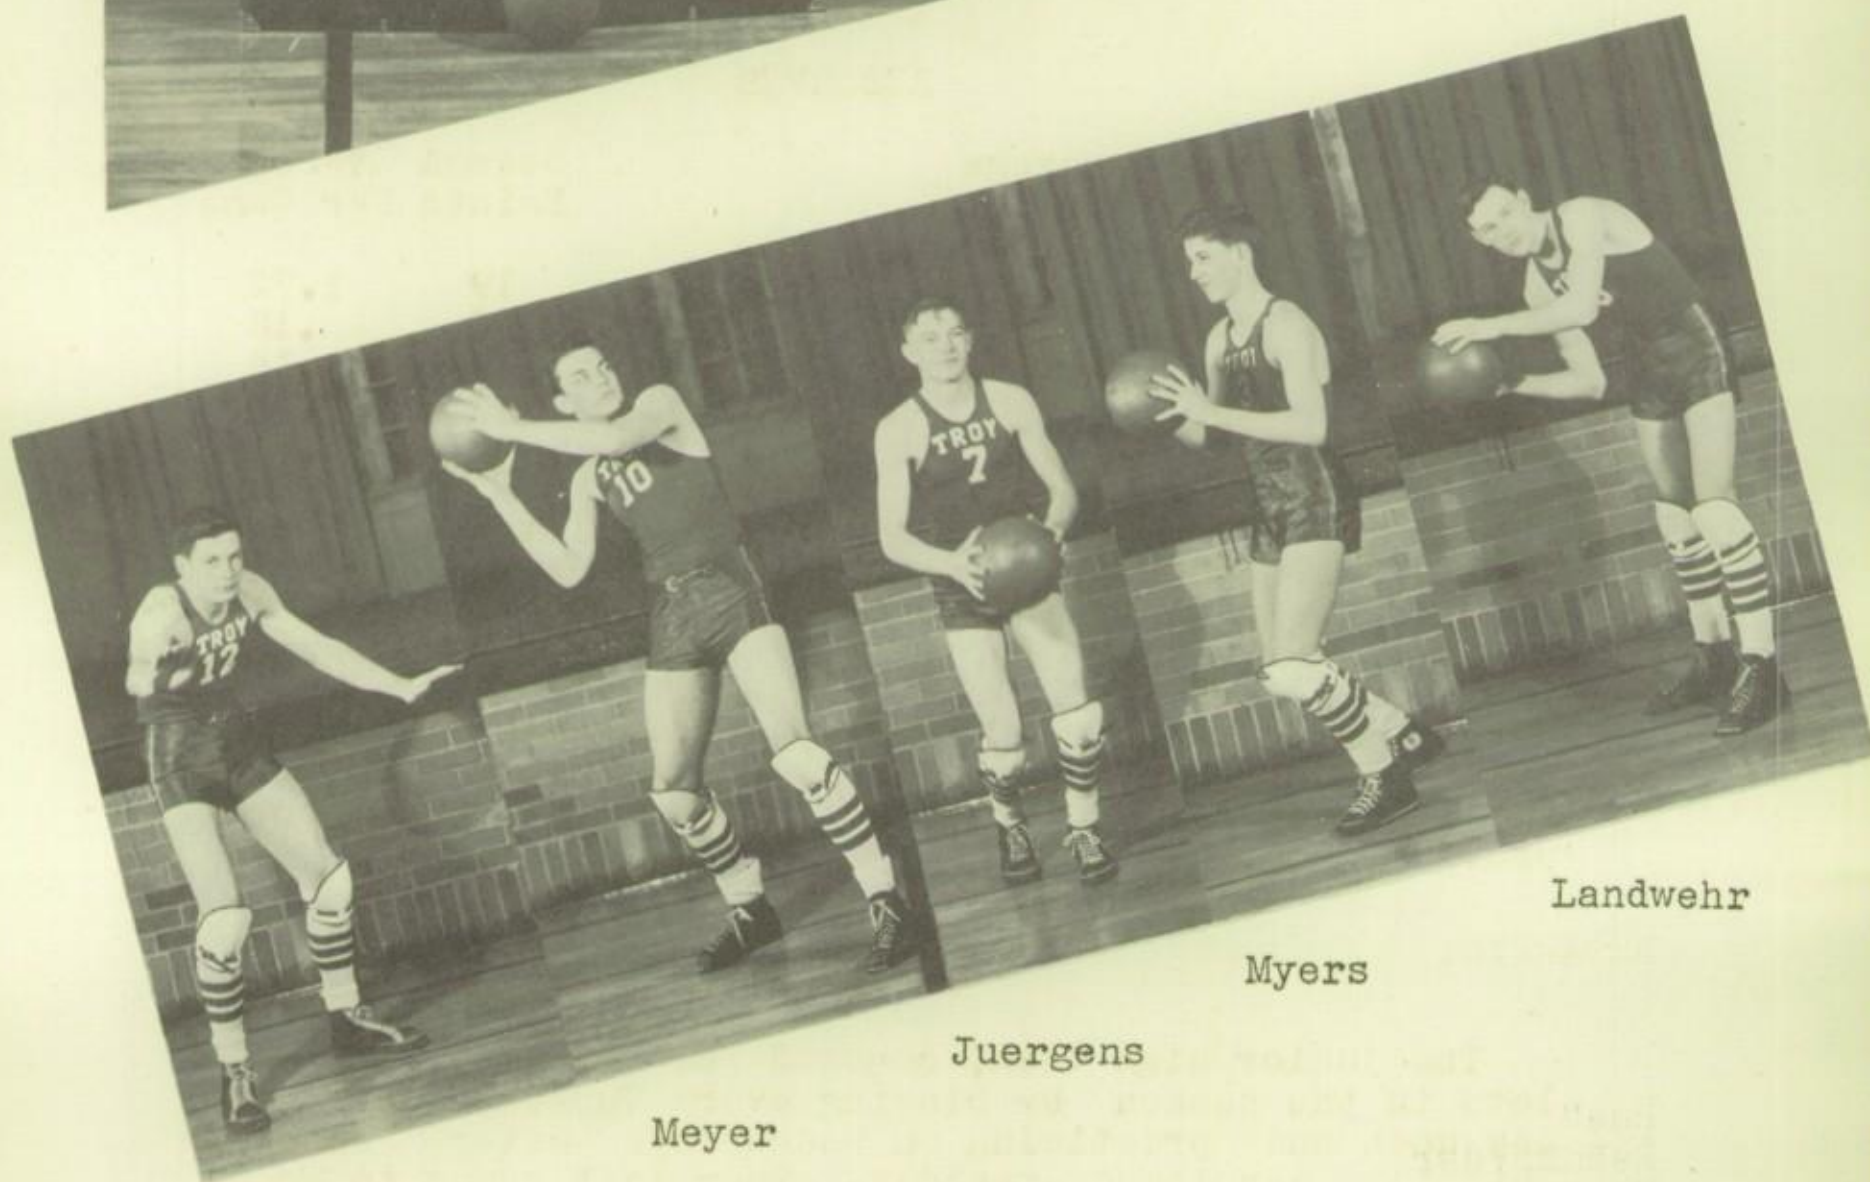

JUNIOR HIGH

The junior high team, coached by Mr. Rider, started late in the season by playing every Tuesday and Thursday noon and practicing on Wednesdays after school. This team developed rapidly. They lost games to Woodville, Lake, Webster and Cygnet. They won from Webster, Lake and Pemberville. The players were: W. Kurfess, Huss, Hannan, Hotmer, Jacobs, Samson and C. Kurfess.

FOOTBALL

The 1941 football season started much the same as any other average season. We journeyed to Waterville and came home with a tied game 19-19. Then Risingsun came here and took a game from us 21-20, scoring two points in the last five seconds of the game. No great potential strength showed up in these games and no one was expecting the whirlwind finish that ended the season. As in former seasons, the blocking was poor, passes went wild, running was sluggish and no great defensive strength came to light.

We then went to Maumee and played a team composed of second and third string substitutes from their eleven-man team and took them to camp 50-0. This was the first time our boys really were able to click. And did they click!

A rough Jackson-Burgoon team came here the next week and went home with the short end of a 31-6 score. In our second game with Risingsun we outplayed them the first half, but they came back strong and took the game 16-12.

With this mental hazard out of the way, the boys settled down to a scoring spree that set a record for Troy that will be hard to beat. On successive Fridays they took Monclova 46-20, Bradner 56-26 and finished with Bloomdale 66-12. This gave us the impressive record of 300 points against 120 for our opponents.

The highlight of the season was the Bradner game. Bradner had been beaten by Risingsun by only one touchdown and had a heavy team and one of the fastest backs in the county. In spite of this, the Trojans ran and passed them to a standstill. The first four plays that we had, the ball netted three touchdowns. Three times during the game we scored on the first down and scored four times from their plays. The Trojans played real ball that day.

Who were these mighty Trojans? Four seniors, seven juniors, four sophomores and two freshmen--just seventeen fine boys who liked the bang-up game of football. Will we miss the senior boys? We surely will! Will we have good boys to take their place? We certainly will!

Glen Reamsnyder, who transferred to Luckey last fall, was ineligible but practiced with the squad.

John Hannan, a seventh grader, faithfully performed the duties of manager but was not eligible for a letter.

Five boys--Cornell Juergens, Joe Loomis, Lowen Meyer, Robert Young and Lowell Hanely--received gold footballs from the Civic Club at the football banquet.

Joe Loomis was chosen by the squad for our 1941 captain and served the team very well. It was the second season for Joe. Gene Hannan takes over the duties of captain for next year, and we all feel sure the position is in capable hands.

The team wishes to express its gratitude to our coach, Mr. Amos, for his efforts in the past four years.

The team expresses its thanks to the community for its fine support throughout the season and especially to those who made the banquet possible.

HUMOR

Definitions

"Bawling out"--the only time in a student's life he wishes there were a hole in the floor beneath him.

"Freshman"--belonging to the Cradle Roll.

"Juniors"--a group of beings who are fast becoming seniors mentally (??) as well as physically.

"Faculty"--a group of educational enthusiasts.

"Grades"--a monthly edited by faculty.

"Examination"--an instrument of torture wielded by the teachers with great effect.

"Blotter"--a thing you spend your time looking for while the ink is drying.

"Tuba player"--a fellow who's all wrapped up in his work.

We Wonder

What all the girls are going to do since Uncle Sam is calling all the boys.

Why Dick Hannan always comes to school late in the morning. (Late night hours?)

What was so exciting at the airport that drew Esther Miller's attention.

Why the mail was overflowing at the post office when Webster played basketball at Springfield.

If the future senior class will be as tormenting as the class of '42.

Can You Imagine

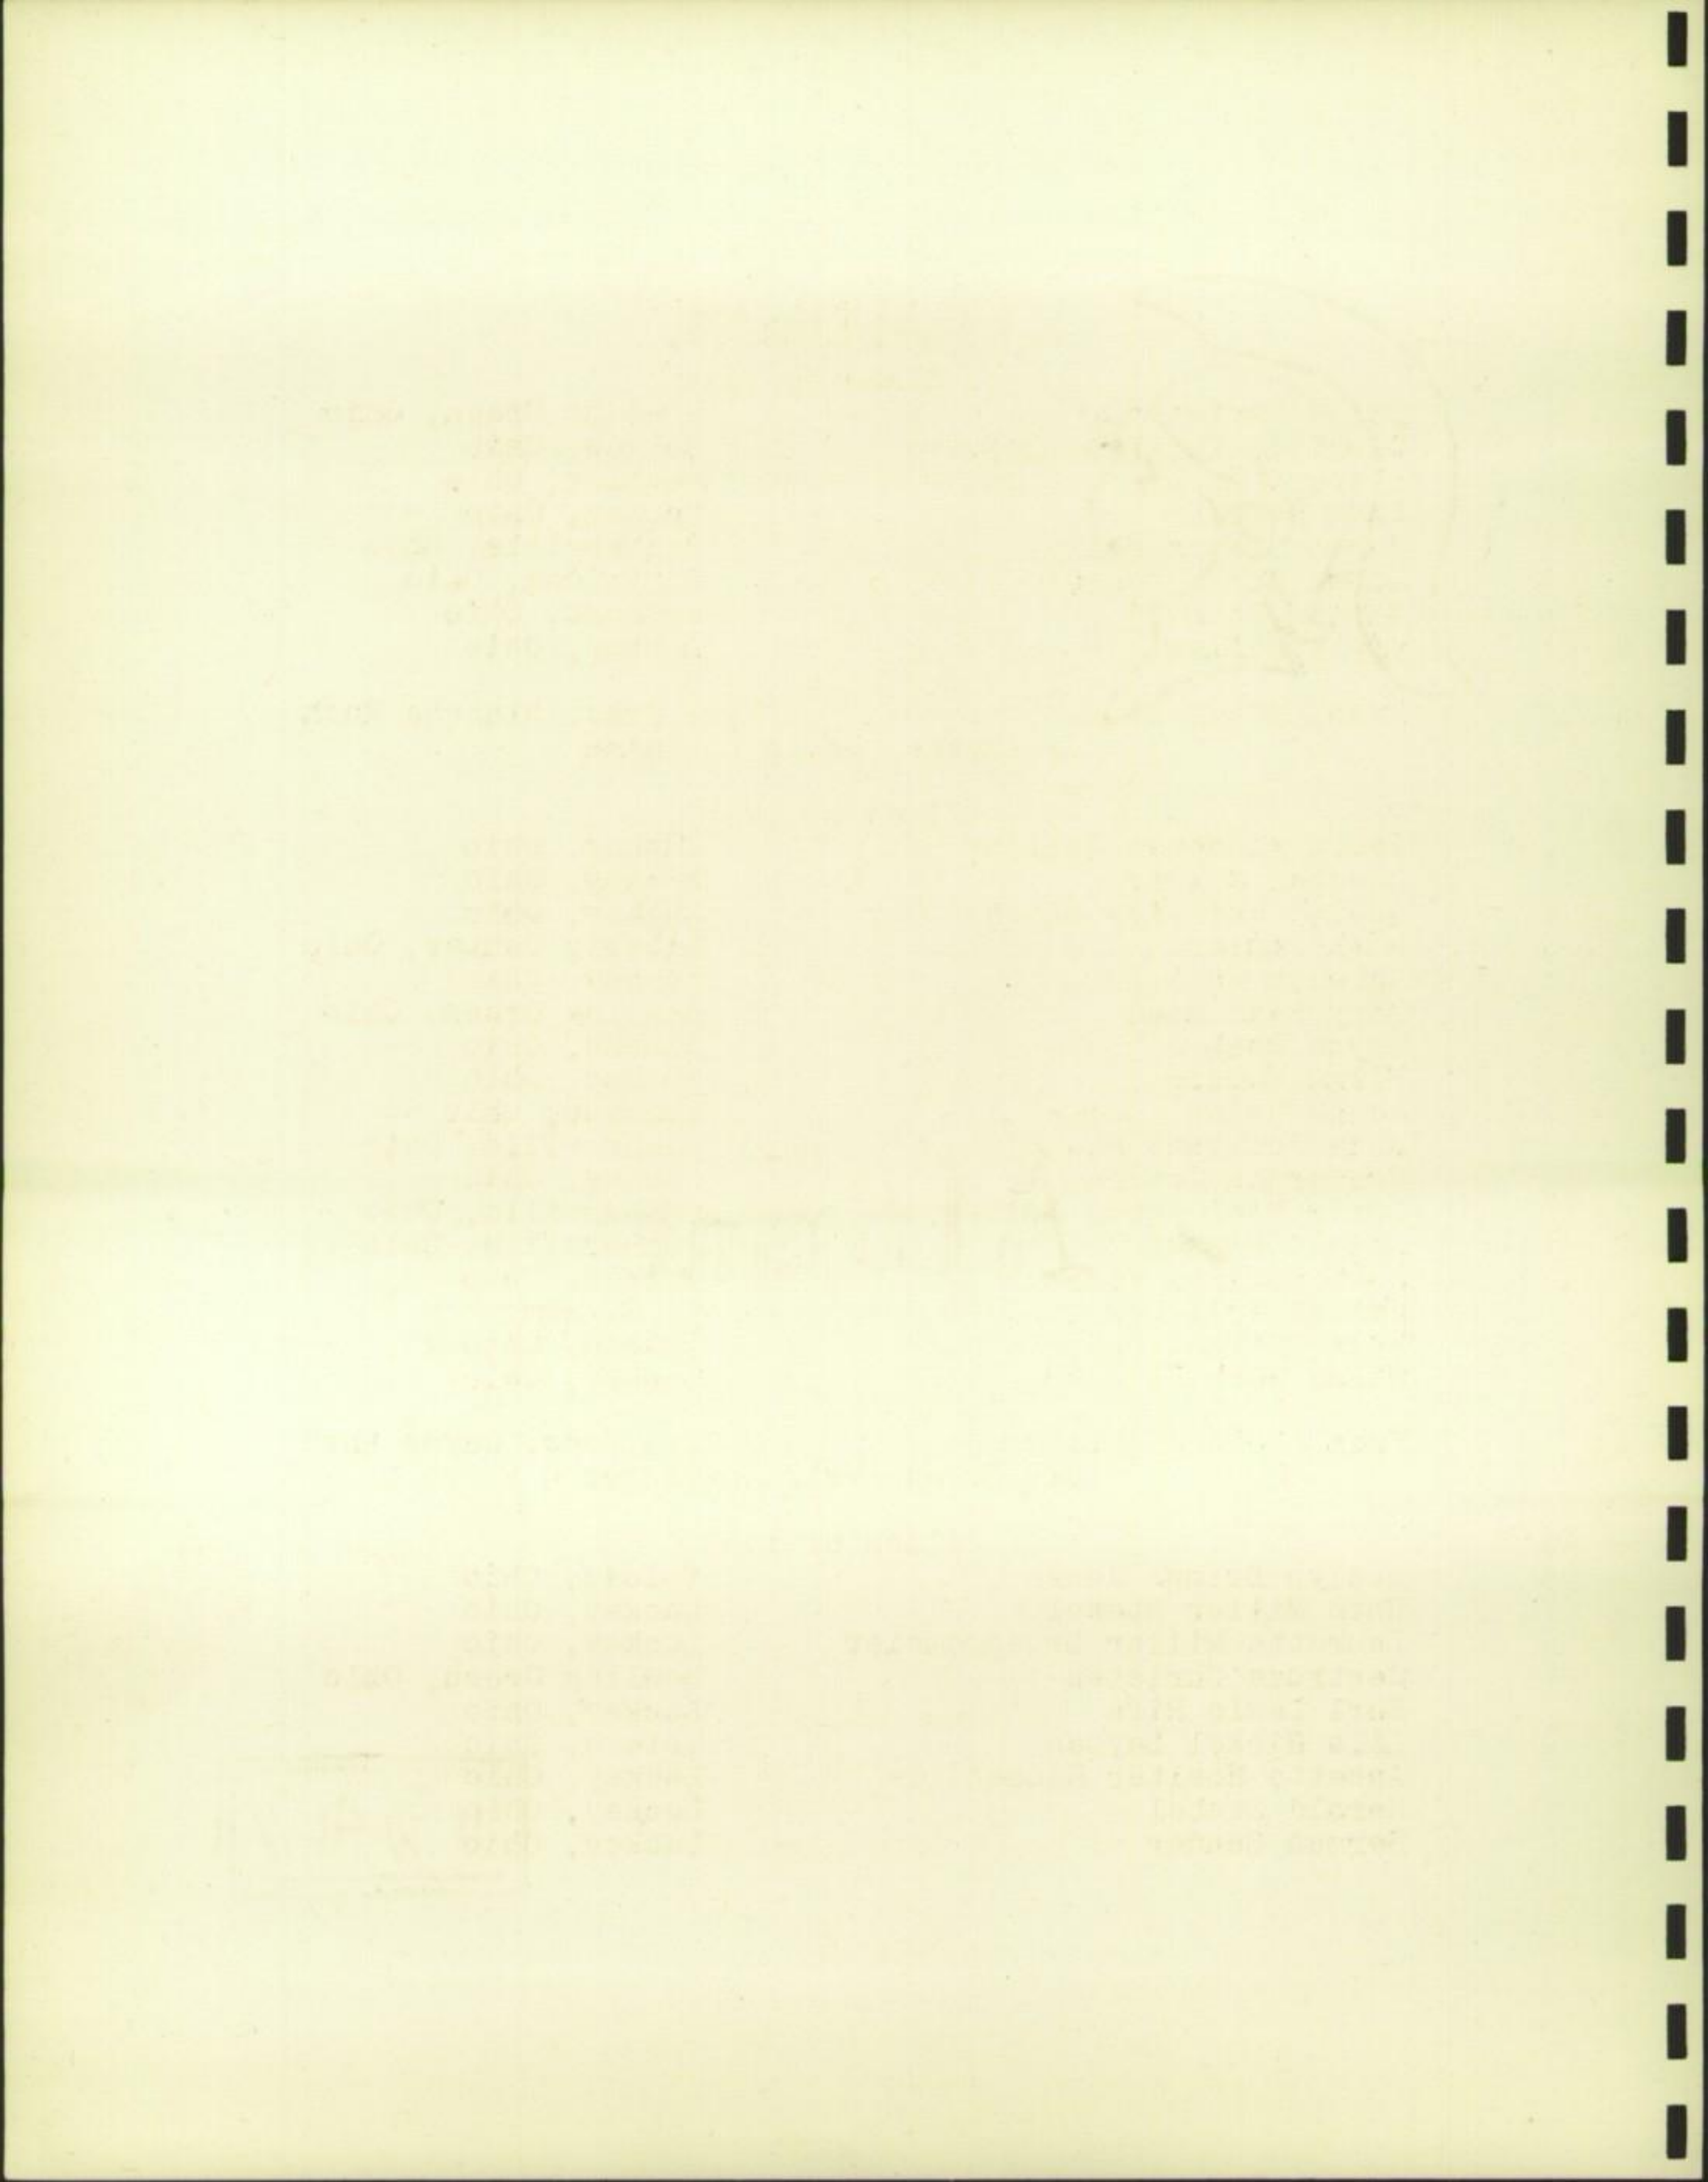

Cornell Juergens ever studying.

Marcena Michel without her large vocabulary.

OUR GRADUATES IN SERVICE

On May 1, six of our Alumni boys were in the service. They heard their country's call and were willing to answer it. In the future more and more of our graduates will hear and willingly answer the same call. We are proud of our boys in the armed forces wherever they may be. HATS OFF TO THEM ALL!

Delton Welling, a graduate in 1936, is in the Medical Regiment at Fort Oglethorpe, Georgia.

Meredith Rex, who was a graduate in 1937, is now at Camp Polk, Louisiana.

Clell Hanely graduated in 1938 and is in the Field Artillery at Camp Cooke, California.

Keith Musser graduated in 1940 and has recently been made a sergeant at Victoria Field, Texas. He is hoping to be a cadet soon.

Frederick Joseph enlisted in the Navy Air Corp and Arlington Helm enlisted in the Army Air Corp. Both boys are waiting to be called.

Quite a number of local boys who attended Troy but did not graduate are serving their country.

HUMOR

Buzz: "Those auto engineers are certainly geniuses at making driving easier."

Dale: "How's that?"

Buzz: "1940, no running boards; 1941, no gear shifts; 1942--no cars."

Don: "If anything moves, you shoot."

Dutch: "Yassah, and if anything shoots, I moves."

June: "Why did you stop singing in the choir?"

Carolyn: "Because one day I didn't sing and somebody asked if the organ had been fixed."

Mr. Amos: "This theme surely is poor. Where did you get your subject matter?"

Gene: "From your lectures."

Paul: "Who gave you that black eye, Cork?"

Cork: "Nobody gave it to me. I had to fight for it."

Kenneth: (entering the library) "I want the life of Caesar."

Miss Rolfes: "Sorry, but Brutus beat you to it."

Mr. Rider: "Why were you late to school this morning?"

Dick: "Because the bell rang before I got here."

Employer: "And can you write shorthand?"

Lois J.: "Yes, but it takes me longer."

Teacher: "Bob, what is that lump in your cheek? Are you chewing gum?"

Bob: "No, I ain't chewing gum. I'm just soaking a prune to eat at noon."

Mother: "You're late for breakfast, Junior; but I see you made your bed very nicely."

Junior: "Yes, that's what took the time. I didn't make my bed at all--I just got out of it very carefully."

Iota: "I wouldn't marry the best man living."

Mart: "I'm sorry you feel that way about me, but thanks for the compliment."
